

# Ordinance 548

## Amending the Comprehensive Plan

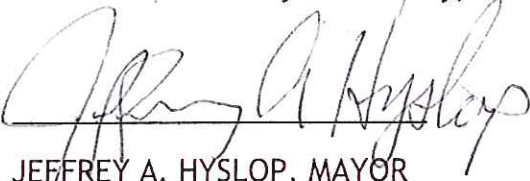

Whereas, the City of Eagle River desires to keep the comprehensive plan up to date; and,

Whereas, Section 2.7 Infrastructure, Utilities and Community Facilities section does not adequately define the required planning documents utilized by the City for infrastructure planning purposes; and,

Whereas, the City Council and the Eagle River Utility Commission has created planning documents relevant to the long-term growth and service needs of the community.

Now, therefore, the City Council adopts this ordinance with the attached language change to amend the comprehensive plan.

Dated this 10<sup>TH</sup> day of January, 2017.

  
JEFFREY A. HYSLOP, MAYOR

  
DEBRA A. BROWN,
