

**City of Eagle River Comprehensive Plan
Public Participation Plan**

The City of Eagle River has developed guidelines for involving the public as part of the requirements of the Comprehensive Planning Process (Section 66.1001(4)(a), Stats.). The goal of a public participation plan is to foster public participation, including open discussion, communication programs, information services, and public meetings for which advance notice has been provided, in every stage of the preparation of a comprehensive plan.

The City of Eagle River elects to use the Plan Commission to work with MSA Professional Services, Inc. to develop the Comprehensive Plan. The Plan Commission will have the responsibility for developing the Comprehensive Plan. The City Council shall have the authority to adopt the Comprehensive Plan.

The following details the public participation plan the City of Eagle River will use for developing its Comprehensive Plan.

- **Project Meetings:** It is anticipated the project will take a number of meetings to complete which will include working sessions to review, discuss, and create project material related to the creation of the Draft Comprehensive Plan.
- **Public Notice:** Meeting times will be published and posted in accordance with City procedures and State law. All Plan Commission meetings are open to the public unless otherwise indicated in the posted meeting notice. Public attendees are encouraged to voice their ideas, opinions, and concerns at each meeting.

- An electronic (cd) copy of the Draft Plan will be disseminated to neighboring jurisdictions and appropriate governments, as stated in Statutes 66.1001 (4)(b)(e)(f), providing 30 days for written comments. In addition, a copy of the Draft Plan will be accessible at the local public library.
