 - (k) *Audit procedures.* The treasurer may by office or field audit determine the tax required to be paid to the city or the refund due any person under this article. This determination may be made upon the basis of the facts contained in the return's being audited or on the basis of any other information within the treasurer's possession.
 - (l) *Confidentiality.* All tax returns, schedules, exhibits, writings or audit reports relating to such returns on file with the treasurer are deemed to be confidential; except that the treasurer may divulge their contents to the following and no others:
